DISASTROUS

Such Have Been Tom Johnson's Campaign Tactics.

FACING SURE DEFEAT

Republicans On the Other Hand Have Campaigned Wisely and Well.

THE FORECASTS FOR TUESDAY

BY GEORGE U. MARVIN.

Columbus, October 31.—On Tuesday next the decision of the Ohio voters is to be registered at the polls. Their verdict will follow a five weeks' campaign of more than ordinary activity and one presenting some unusual features. The character of the appeal made by the Democrats has differed so materially from that which herefore marked the efforts of the party to gain control of the state, that it can best be described in the words of Senator Hanna as, "Johnsonism unrevealed by even a touch of Jeffersonism."

Straying from the old and well known tenets of the party, the new Democracy has arrayed itself upon the side of issues, appealing rather to the prejudice than the judgment of people and of a kind to excite and array class against class. Had the Democratic managers refused to permit themselves to be led by Johnson, or had they done what the better wisdom of many of the leaders suggested, the situation might not now be such as to preclude even the possibility of success.

For instance, if, instead of taking up the trivial and unpotential questions of 2-cent fare and home rule, as Johnson pretends, they had concentrated their efforts upon subjects of real and commanding interest, they might not at this time be facing a probable defeat of 100,000 upon the state ticket and an overwhelming adverse majority in the legislature.

Johnson, intoxicated by the completeness of his local supremacy, made a disastrous and distasteful blunder at the start. Against the violent protest of those upon whose judgment he should have relied, and showing that most amateurish political management, he forced the endorsement for United States senator of a man in whom the rank and file had no faith. It was held against Mr. Clarke that he opposed Bryan in both 1896 and 1900, and the immediate effect of his endorsement was to create a doubt as to his sincerity of purpose. By the ordinary political rules of action there was the appearance of having permitted desire for office to warp that sound judgment for which he has always been given credit. No sensible man believes that there was in the Johnson platform anything which appealed to him.

A vivid recollection yet remains in the minds of many people of how in the campaign of last year Clarke stood upon a platform in Columbus and denounced, in words which marked an earnest conviction, Johnson's statement that the railroads in Ohio were not fairly and justly taxed. There were other indications of a similar character, and the party began the campaign facing conditions which could do nothing else than presage defeat. Clarke's endorsement appears now, in the light of subsequent events, a political blunder, giving less credit to his judgment of Johnson than they were ordinarily supposed to possess.

On the other hand, there has been in the Republican campaign from the start no attempt to move along anything but well described lines. The party was fortified by a twelve years' administration of state affairs so successful and so beneficial in returns to the people that no Democratic orator has had the temerity to attack it. This has been constantly forced upon the attention of the voters. At the commencement of the campaign, in response to a demand too strong to be ignored, an attack was made upon Johnson's single tax record. He attempted for a time to pass this lightly and refused to accept it as an issue in the campaign. But proof of a convincing character was brought to bear that he was finally

TEMPERANCE RALLIES

Division of the Sons of Temperance to Be Formed in the East End.

Total abstinence rallies will be held in the Second Presbyterian church, in the East End, Monday and Tuesday evenings by Messrs. Rockwood and Blair, the evangelists of the Sons of Temperance. Prof. Rockwood returned this morning from Philadelphia, and Prof. Blair, who for years has been soloist in the Bethany Presbyterian church, Philadelphia, accompanied him. Prof. Blair will sing such solos as "The Hills of God," "Face to Face" and a new version of "Nearer, My God, to Thee."

These rallies are at 7:45, free to all, and entirely without politics or sectarianism. A division of the sons will be formed in the East End as a result of these rallies.

AN AWFUL WRECK ON THE BIG FOUR

Twelve Bodies Have Already Been Recovered From the Debris.

COLLEGE BOYS THE VICTIMS

Indianapolis, October 31.—(Special)—One of the most appalling railroad disasters in years occurred in the railroad yards here today when a fast passenger train on the Big Four road was wrecked. The train was running at a high rate of speed.

Twelve bodies have been recovered from the debris so far, but it is feared that others will be found as the work proceeds. Not all the bodies have been identified.

The football team of Purdue University, at Lafayette, 15 strong, boarded the train at that city and several of them are thought to have been killed.

Among the passengers were a number of Purdue students, who had accompanied the team.

The work of taking out the bodies is under the direction of the police department. The bodies are being placed in the morgue awaiting identification and the injured are being distributed among the city hospitals.

TORNADO KILLED THREE PERSONS

Other Damage Done in a Storm That Swept an Oklahoma Town.

Oklahoma City, October 31.—(Special)—Three persons were killed and a number badly wounded in a tornado that swept over the town of Hydro, near this city.

The town was practically leveled by the fierce wind and thousands of dollars will be lost on property.

RELEASED FROM JAIL

Harry Dobbins And Nick Murray Have Served Their Time at Lisbon.

Lisbon, October 31.—(Special)—Harry Dobbins and Nick Murray, both of East Liverpool, were released from the county jail today, having completed sentences for petty larceny.

DECISIONS MONDAY

Circuit Court Judges Will Then Begin Handing Them Down.

Lisbon, October 31.—(Special)—The judges of the circuit court will begin on Monday morning to hand down decisions in the 19 cases heard at this term.

A BANQUET TO THE SPEAKERS.

Lisbon, October 31.—(Special)—After the speaking at the Republican meeting last evening, the entertainment committee of the local Republican organization gave a turkey banquet at the Republican headquarters in honor of the speakers and their friends.

BACK FROM CAMBRIDGE SPRINGS.

Lisbon, October 31.—(Special)—County Auditor J. Frank Adams, who has been afflicted with a serious bowel trouble, returned last night from a two weeks' sojourn at Cambridge Springs, Pa.

A SWEEPING VICTORY

For the State and County Ticket at the Polls Next Tuesday.

NO CHANCE FOR DEMOCRACY

Political conditions are full of life and enthusiasm today. Never in the history of local politics was so sudden a change noted as has been evidenced in the past week along political lines. Prior to the first of the week it seemed as though the voters of East Liverpool were going to stand by and allow election day to come and go without any particular demonstration of spirit or interest in the campaign, but during the past five days there has been nothing talked of on the streets, at the work bench and around the fire side but politics and it is now assured that East Liverpool will come to the front with its usual big vote.

The Republican central committee has been working industriously. It has not left a stone unturned that would result in good for the G. O. P., and today its members feel confident of a great rally to the polls on next Tuesday. So far as the state candidates are concerned, the Republican leaders feel that the entire ticket will lead by an overwhelming majority in the city, county and over the entire state. The local prediction is that Hon. Myron T. Herrick, for governor, will be elected by a plurality of 50,000, and that Senator Marcus A. Hanna, for re-election, will be supported by a handsome majority in the legislature.

The football team of Purdue University, at Lafayette, 15 strong, boarded the train at that city and several of them are thought to have been killed. Among the passengers were a number of Purdue students, who had accompanied the team.

The work of taking out the bodies is under the direction of the police department. The bodies are being placed in the morgue awaiting identification and the injured are being distributed among the city hospitals.

dict that he has lost at least half of the local Democratic support.

Copies of a strong circular letter have been sent to every Republican voter in this city by the local central committee and to every Republican in every other part of the county by committees in the other districts, in favor of "standing pat" and letting well enough alone.

Every detail has been carried out by the local committee in preparation for the election in the several precincts of the four wards of the city. The booths have been repaired, and the polling places have all been arranged for the eventful day. As stated in last evening's issue of the News Review, there is but one change in the voting places that were decided upon by council at its last meeting. The polling place in the first precinct of the second ward is to be at the Thompson house, the entrance being from Broadway.

The following presiding judges of the city left this morning for Lisbon, where they will receive the ballots to be used on election day and their instructions: George E. Davidson, Hugh Clark, Walter Supplee, W. V. Blake, M. J. McGarry, Thomas A. Nicol, W. L. Smith, Arthur E. Bowdler, E. N. Croxall and Robert G. Boyd.

BIG RALLY HELD BY REPUBLICANS

Eloquent Speakers Addressed the Voters at Lisbon for Three Hours Last Night.

Lisbon, October 31.—(Special)—For three hours last evening an audience that packed Smiley's opera house listened to eloquent discussions of the issues of the campaign from a Republican standpoint. The principal speakers were Hon. Frank Dawes, former attorney general of Kansas, and Colonel L. M. Copeland, the famous lecturer, who was sent here by Chairman Dick to fill the place of Congressman Landis, of Indiana. Mr. Landis being unable to get here. Congressman James Kennedy, of Youngstown, presided and spoke briefly in opening the meeting and former Congressman Tayler also spoke briefly.

Messrs. Copeland and Dawes are both captivating orators and although Mr. Dawes, who was the last speaker of the evening, did not get started until a late hour, held the closest attention of his large audience. About 60 vice presidents occupied places on the rostrum, prominent among them being Circuit Judges Laubie, Burrows and Cook, Elijah W. Hill, candidate for the legislature; M. J. McGarry and other candidates for county offices.

The meeting was a success and was well managed in every particular. A special train on the P. L. & W. brought a large delegation from points east of here.

Hospital Association to Make Another Earnest Effort to Raise Money.

The Hospital association will continue its efforts to raise money so that there will be no delay on the hospital building, and at the meeting held yesterday it was decided to give a home talent production of the beautiful spectacular opera, "A Trip to the Moon." The date has not been announced, but it will be some time in December.

The cast will require about 400 people and the production will certainly eclipse anything ever before attempted in this line. Another meeting of the association will be held next week to select the cast.

ITALIANS ARE LEAVING.

C. A. Sims & Co. are finishing up the grading and bridge building along the C. & P. double track. They have large gangs still employed at Merrill and Beaver, Pa., the East End, Port Homer and Toronto, which include all told 600 laborers. Many are now seeking work in the vicinity of St. Louis and other southern points.

Money Not Ready Today.

The servants of the city will be disappointed today, as the money from the sale of the bonds cannot be utilized for the pay roll until council makes the appropriations. The money from the bonds is expected this evening or Monday. The bonds are now being printed and the money will be forthcoming when they are turned over to the purchaser.

MORE ROOM

Mayor Will Enlarge His Office in the City Building.

AT HIS OWN EXPENSE

Weary of Waiting For the City to Do the Work Needed.

PROMISES ARE NOT ENOUGH

After waiting six months for suitable quarters at the city hall, Mayor W. A. Weaver has decided that the only way to get them will be for him to enlarge his office and have the other necessary repairs done at his own personal expense. He announced this morning his intention of getting the permission of the township trustees and then he will have the repainting started at once.

Mayor Weaver feels very much slighted over the manner in which he has been treated relative to the quarters that were promised him. He says that although there has been no disposition shown to not repair the building there certainly has been no disposition shown to repair it. As a matter of fact the office set aside for the use of the mayor is a disgrace to any city, and it is even worse for East Liverpool, considering its size and importance. The apartment is scarcely large enough to turn around in, and it certainly is not large enough for the business that comes before the chief executive.

It will be remembered that shortly after Mayor Weaver took his seat a movement was started to give him quarters sufficiently large to conduct his business, and it was proposed that a complete change be made at the city hall. A contract was made to have the repairs made and the work was started with vigor.

A partition was erected, but when the plasterers were getting ready to do their work a halt was called and the partition was left as it now stands. The matter was then taken up by the board of public service, board of public safety and council. All agreed that it was not their duty to stand the expense and it was laid over indefinitely. At the last meeting of council something was said of the repairs, and it was intimated that the work might be done in a short time, but the mayor has lived so long on promises that he has concluded that they amount to nothing, and will have it done himself.

The township trustees have jurisdiction over the north half of the city hall, and as the mayor will agree to fix a part of the first floor for them it seems there will be no reason for them to object to his proposition.

WILL MUST BE PROBATED HERE.

Lisbon, October 31.—(Special)—In the matter of the will of Ralph Woodward, which the widow has asked to have probated in this county, Judge Martin has decided that the legal residence of the deceased was in this county and has ordered the probate judge of Jefferson county, where the will was first admitted to probate, to produce the will here by November 4.

PATIENTS FOR STATE HOSPITALS.

Lisbon, October 31.—(Special)—John Duffy, of East Palestine, in probate court yesterday afternoon was adjudged insane. Application for admission to Massillon asylum has been made. A permit has been issued for the admission of Julia Dibble, of Lisbon, to the Gallipolis hospital for epileptics.

A GIFT OF A PONY.

Lyman Rinehart will donate a fine pony to the coming entertainment and fair to be held by St. Aloysius' church on November 18. This will be contested for. A number of local singers of prominence will take part in the entertainment, which a committee is now arranging for.

CLOSES THE FACTORIES.

Toronto, October 31.—(Special)—The pumps at the Toronto water department power house broke down this morning, and it will cause a suspension of work in all the factories located in town, until repairs can be made.

NO CHANCE FOR DEMOCRACY

Political conditions are full of life and enthusiasm today. Never in the history of local politics was so sudden a change noted as has been evidenced in the past week along political lines. Prior to the first of the week it seemed as though the voters of East Liverpool were going to stand by and allow election day to come and go without any particular demonstration of spirit or interest in the campaign, but during the past five days there has been nothing talked of on the streets, at the work bench and around the fire side but politics and it is now assured that East Liverpool will come to the front with its usual big vote.

The Republican central committee has been working industriously. It has not left a stone unturned that would result in good for the G. O. P. and today its members feel confident of a great rally to the polls on next Tuesday. So far as the state candidates are concerned, the Republican leaders feel that the entire ticket will lead by an overwhelming majority in the city, county and over the entire state. The local prediction is that Hon. Myron T. Herrick, for governor, will be elected by a plurality of 75,000, and that Senator Marcus A. Hanna, for re-election, will be supported by a handsome majority in the legislature.

It is predicted that the local candidates, E. W. Hill, for representative, and M. J. McGarry, for prosecutor, will each be up with the leaders.

They figure that Robert G. Boyd, candidate for county commissioner, will also run exceedingly well, as he has practically no opposition.

According to those best able to determine, Alfred J. Johnson, candidate for sheriff, will be elected by a large majority in the city. Two years ago, it will be recalled, Leonard happened to be the Democratic nominee, and owing to a peculiarly favorable condition just at that time, succeeded in winning the election, surprising himself as well as his friends. He received the support of the unionists at that time, though he possessed no labor record of his own to speak of. He had not been in office a month until he repudiated the men who elected him, and the claim is made that he threw down his best friends. Johnson, Leonard's Republican opponent, on the other hand, has a record as a unionist of which any man can feel justly proud. He is a potter, and has worked at the bench all his life, devoting much time to the interests of his trade union, and his fellow toilers will not forget this on election day.

It is said by some of the leaders of the party in East Liverpool that a strong effort is to be made to carry Wellsville for Leonard. They refuse to believe, however, that the staid old town will turn over for any Democrat, and Wellsville is expected to give Johnson the same support that the ticket has always received. Well posted men all over the county assert Wellsville can ill afford to make such a move. She is expected to treat the ticket all alike, since the town is known to have men with aspirations of their own, who will be asking a favor from the remainder of the county in a short time. Their success will depend largely upon the way the Republican ticket is treated next Tuesday.

Every true Republican in this city is requested and urged to come out on election day and stand by his party and the principles which have been adopted by it. The Democratic candidate and his henchmen are working day and night, but it will be all in vain, as everybody knows, and it is believed that they will do so to a man.

In East Liverpool the Democratic leaders are against the leader of their ticket, Leonard, and it is safe to pre-

Lyman Rinehart will donate a fine pony to the coming entertainment and fair to be held by St. Aloysius' church on November 18. This will be contested for. A number of local singers of prominence will take part in the entertainment, which a committee is now arranging for.

Closes the Factories.

Toronto, October 31.—(Special)—The pumps at the Toronto water department power house broke down this morning, and it will cause a suspension of work in all the factories located in town, until repairs can be made.

A HORSE THE VICTIM OF HYDROPHOBIA

Valuable Animal Bitten By a Strange Dog. Had to Be Shot.

Lisbon, October 31.—(Special)—Another valuable horse, the property of John C. Millen, of Wayne township, had to be shot yesterday to end its suffering from hydrophobia, which resulted from the bite of a mad dog seen in this vicinity some time ago. Mr. Millen is a prominent young farmer at Gavers. He was driving along the road near that place about five weeks ago when a dog sprang up and bit the horse on the nose.

The animal began to show symptoms of hydrophobia about three days ago. Mr. Millen not long since refused \$250 for the horse.

A FINE RECORD IN THE SCHOOLS

The October Reports Now Ready Make an Excellent Showing.

LIVE EDUCATIONAL TOPICS

It was report day in the public schools for the month of October yesterday. The report makes an excellent showing for the school children and will be read by Supt. R. E. Rayman on Monday evening at the meeting of the board of education. On Monday morning the teachers will have their report cards ready to present to the parents and children of the first grades of the work for this year.

During the week the teachers have been closely occupied in finishing up the work of the month. There were several meetings held, when the closing work of the first two months was discussed.

On Tuesday evening a meeting of the substitutes and beginning teachers was held. Prof. H. F. Laughlin opened the meeting with an interesting talk on music and how to present it in the most interesting and instructive manner.

DISASTROUS

TEMPERANCE RALLIES

Division of the Sons of Temperance to Be Formed in the East End.

Total abstinence rallies will be held in the Second Presbyterian church, in the East End, Monday and Tuesday evenings by Messrs. Rockwood and Blair, the evangelists of the Sons of Temperance. Prof. Rockwood returned this morning from Philadelphia, and Prof. Blair, who for years has been soloist in the Bethany Presbyterian church, Philadelphia, accompanied him. Prof. Blair will sing such solos as "The Hills of God," "Face to Face" and a new version of "Nearer, My God, to Thee."

These rallies are at 7:45, free to all, and entirely without politics or sectarianism. A division of the sons will be formed in the East End as a result of these rallies.

AN AWFUL WRECK ON THE BIG FOUR

Twelve Bodies Have Already Been Recovered From the Debris.

COLLEGE BOYS THE VICTIMS

Indianapolis, October 31.—(Special)—One of the most appalling railroad disasters in years occurred in the railroad yards here today when a fast passenger train on the Big Four road was wrecked. The train was running at a high rate of speed.

Twelve bodies have been recovered from the debris so far, but it is feared that others will be found as the work proceeds. Not all the bodies have been identified.

The football team of Purdue University, at Lafayette, 15 strong, boarded the train at that city and several of them are thought to have been killed. Among the passengers were a number of Purdue students, who had accompanied the team.

The work of taking out the bodies is under the direction of the police department. The bodies are being placed in the morgue awaiting identification and the injured are being distributed among the city hospitals.

TORNADO KILLED THREE PERSONS

Other Damage Done in a Storm That Swept An Oklahoma Town.

Oklahoma City, October 31.—(Special)—Three persons were killed and a number badly wounded in a tornado that swept over the town of Hydro, near this city.

The town was practically leveled by the fierce wind and thousands of dollars will be lost on property.

AWAKENING

Republicans of East Liverpool Showing Enthusiasm.

A SWEEPING VICTORY

For the State and County Ticket at the Polls Next Tuesday.

NO CHANCE FOR DEMOCRACY

Political conditions are full of life and enthusiasm today. Never in the history of local politics was so sudden a change noted as has been evidenced in the past week along political lines. Prior to the first of the week it seemed as though the voters of East Liverpool were going to stand by and allow election day to come and go without any particular demonstration of spirit or interest in the campaign, but during the past five days there has been nothing talked of on the streets, at the work bench and around the fire side but politics and it is now assured that East Liverpool will come to the front with its usual big vote.

The Republican central committee has been working industriously. It has not left a stone unturned that would result in good for the G. O. P. and today its members feel confident of a great rally to the polls on next Tuesday. So far as the state candidates are concerned, the Republican leaders feel that the entire ticket will lead by an overwhelming majority in the city, county and over the entire state. The local prediction is that Hon. Myron T. Herrick, for governor, will be elected by a plurality of 75,000, and that Senator Marcus A. Hanna, for re-election, will be supported by a handsome majority in the legislature.

It is predicted that the local candidates, E. W. Hill, for representative, and M. J. McGarry, for prosecutor, will each be up with the leaders. They figure that Robert G. Boyd, candidate for county commissioner, will also run exceedingly well, as he has practically no opposition. According to those best able to determine, Alfred J. Johnson, candidate for sheriff, will beat C. P. Leonard, Democrat, by a very large majority in the city. Two years ago, it will be recalled, Leonard happened to be the Democratic nominee, and owing to a peculiarly favorable condition just at that time, succeeded in winning the election, surprising himself as well as his friends. He received the support of the unionists at that time, though he possessed no labor record of his own to speak of. He had not been in office a month until he repudiated the men who elected him, and the claim is made that he threw down his best friends. Johnson, Leonard's Republican opponent, on the other hand, has a record as a unionist of which any man can feel justly proud. He is a potter, and has worked at the bench all his life, devoting much time to the interests of his trade union, and his fellow toilers will not forget this on election day.

It is said by some of the leaders of the party in East Liverpool that a strong effort is to be made to carry Wellsville for Leonard. They refuse to believe, however, that the staid old town will turn over for any Democrat, and Wellsville is expected to give Johnson the same support that the ticket has always received. Well posted men all over the county assert Wellsville can ill afford to make such a move. She is expected to treat the ticket all alike, since the town is known to have men with aspirations of their own, who will be asking a favor from the remainder of the county in a short time. Their success will depend largely upon the way the Republican ticket is treated next Tuesday.

Every true Republican in this city is requested and urged to come out on election day and stand by his party and the principles which have been adopted by it. The Democratic candidate and his henchmen are working day and night, but it will be all in vain, as everybody knows, and it is believed that they will do so to a man.

In East Liverpool the Democratic leaders are against the leader of their ticket, Leonard, and it is safe to pre-

dict that he has lost at least half of the local Democratic support.

Copies of a strong circular letter have been sent to every Republican voter in this city by the local central committee and to every Republican in every other part of the county by committees in the other districts, in favor of "standing pat" and letting well enough alone.

Every detail has been carried out by the local committee in preparation for the election in the several precincts of the four wards of the city. The booths have been repaired, and the polling places have all been arranged for the eventful day. As stated in last evening's issue of the News Review, there is but one change in the voting places that were decided upon by council at its last meeting. The polling place in the first precinct of the second ward is to be at the Thompson house, the entrance being from Broadway.

The following presiding judges of the city left this morning for Lisbon, where they will receive the ballots to be used on election day and their instructions: George E. Davidson, Hugh Clark, Walter Supplee, W. V. Blake, M. J. McGarry, Thomas A. McNicol, W. L. Smith, Arthur E. Bowditch, E. N. Croxall and Robert G. Boyd.

BIG RALLY HELD BY REPUBLICANS

Eloquent Speakers Addressed the Voters at Lisbon for Three Hours Last Night.

Lisbon, October 31.—(Special)—For three hours last evening an audience that packed Smiley's opera house listened to eloquent discussions of the issues of the campaign from a Republican standpoint. The principal speakers were Hon. Frank Dawes, former attorney general of Kansas, and Colonel L. M. Copeland, the famous lecturer, who was sent here by Chairman Dick to fill the place of Congressman Landis, of Indiana. Mr. Landis being unable to get here. Congressman James Kennedy, of Youngstown, presided and spoke briefly in opening the meeting and former Congressman Taylor also spoke briefly.

Messrs. Copeland and Dawes are both captivating orators and although Mr. Dawes, who was the last speaker of the evening, did not get started until a late hour, held the closest attention of his large audience. About 60 vice presidents occupied places on the rostrum, prominent among them being Circuit Judges Laubie, Burrows and Cook, Elijah W. Hill, candidate for the legislature; M. J. McGarry and other candidates for county offices.

The meeting was a success and was well managed in every particular. A special train on the P. L. & W. brought a large delegation from points east of here.

WILL GIVE A PLAY

Hospital Association to Make Another Earnest Effort to Raise Money.

The Hospital association will continue its efforts to raise money so that there will be no delay on the part of the building, and at the meeting held yesterday it was decided to give a home talent production of the beautiful spectacular opera, "A Trip to the Moon." The date has not been announced, but it will be some time in December.

The cast will require about 400 people and the production will certainly eclipse anything ever before attempted in this line. Another meeting of the association will be held next week to select the cast.

ITALIANS ARE LEAVING.

C. A. Sims & Co. are finishing up the grading and bridge building along the C. & P. double track. They have large gangs still employed at Merrill and Beaver, Pa., the East End, Port Homer and Toronto, which include all told 600 laborers. Many are now seeking work in the vicinity of St. Louis and other southern points.

Money Not Ready Today.

The servants of the city will be disappointed today, as the money from the sale of the bonds cannot be utilized for the pay roll until council makes the appropriations. The money from the bonds is expected this evening or Monday. The bonds are now being printed and the money will be forthcoming when they are turned over to the purchaser.

KIDNAPPER A SUICIDE.

Columbus, October 31.—(Special)—Fearing arrest because he had kidnapped his little son, Seymour Leidy, a well known resident of West Jefferson, committed suicide at Alton this morning.

MORE ROOM

Mayor Will Enlarge His Office in the City Building.

AT HIS OWN EXPENSE

Weary of Waiting For the City to Do the Work Needed.

PROMISES ARE NOT ENOUGH

After waiting six months for suitable quarters at the city hall, Mayor W. A. Weaver has decided that the only way to get them will be for him to enlarge his office and have the other necessary repairs done at his own personal expense. He announced this morning his intention of getting the permission of the township trustees and then he will have the repairing started at once.

Mayor Weaver feels very much slighted over the manner in which he has been treated relative to the quarters that were promised him. He says that although there has been no disposition shown to not repair the building there certainly has been no disposition shown to repair it. As a matter of fact the office set aside for the use of the mayor is a disgrace to any city, and it is even worse for East Liverpool, considering its size and importance. The apartment is scarcely large enough to turn around in, and it certainly is not large enough for the business that comes before the chief executive.

It will be remembered that shortly after Mayor Weaver took his seat a movement was started to give him quarters sufficiently large to conduct his business, and it was proposed that a complete change be made at the city hall. A contract was made to have the repairs made and the work was started with vigor.

A partition was erected, but when the plasterers were getting ready to do their work a halt was called and the partition was left as it now stands. The matter was then taken up by the board of public service, board of public safety and council. All agreed that it was not their duty to stand the expense and it was laid over indefinitely.

At the last meeting of council something was said of the repairs, and it was intimated that the work might be done in a short time, but the mayor has lived so long on promises that he has concluded that they amount to nothing, and will have it done himself.

The township trustees have jurisdiction over the north half of the city hall, and as the mayor will agree to fix a part of the first floor for them it seems there will be no reason for them to object to his proposition.

WILL MUST BE PROBATED HERE.

Lisbon, October 31.—(Special)—In the matter of the will of Ralph Woodward, which the widow has asked to have probated in this county, Judge Martin has decided that the legal residence of the deceased was in this county and has ordered the probate judge of Jefferson county, where the will was first admitted to probate, to produce the will here by November 4.

PATIENTS FOR STATE HOSPITALS.

Lisbon, October 31.—(Special)—John Duffy, of East Palestine, in probate court yesterday afternoon was adjudged insane. Application for admission to Massillon asylum has been made. A permit has been issued for the admission of Julia Dibble, of Lisbon, to the Gallipolis hospital for epileptics.

Prof. Tayman occupied the remainder of the time in making helpful suggestions on some of the best ways to interest the pupils and to maintain discipline.

The high school faculty met on Thursday evening in Supt. Rayman's office. The questions for discussion were The Teachers' Association, Literary Work, Grading and Testing, Methods of Recitation, Methods of Assigning Work, the Teachers' Federation and Helping the Pupils With Their Work. The teachers became much interested in the different opinions and discussions of the questions and the meeting did not adjourn until 6 o'clock in the evening.

The general teachers' meeting for the month will be held on next Monday evening after school.

Announcement was made yesterday that Rev. J. G. Reinartz will hold special services tomorrow evening on the subject, "The Reformation." The teachers are invited to be present at the service.

HIGH SCHOOL NOTES.

The Friday morning special literary exercises were held yesterday morning and Messrs. Dewitt Crawford, Mr. Erlanger and Misses Mary Hall and Charlotte Grosshans, members of the senior class, were those on the program with interesting literary productions. Next Friday morning Messrs. John Evans and Charles Golding and Misses Louise Hill and Rilla Hendricks will be on the literary program.

The freshmen of the high school met on Thursday morning and held a preliminary session for the organization of their literary society. They appointed a committee to draw up a constitution and the committee will report next week, after which the class will fully organize.

The first public literary exercises of the year will be held on November 20.

Miss Hartman, one of the instructors in the high school faculty, will spend Sunday visiting relatives in Wooster.

TRUSTEE UNDER A WILL.

Lisbon, October 31.—(Special)—Richard Everson has been appointed trustee of the interests of William Everson, under the will of the late Emma Everson, of Wellsville.

Among the Potteries and Allied Industries

GIRLS ALL GUIT.

The strike inaugurated at the two shops of the Wheeling Potteries company by the girls in the finishing department was thought to have been settled satisfactorily when President T. J. Duffy, of the National Brotherhood of Operative Potters, held a meeting with the local to which the girls belong. At the time the manager of the Warwick pottery signed the scale which the girls asked, and gave them the advance which was decided upon at the convention of the potters in Wheeling last May.

The trouble at the Wheeling Potteries company's plants was patched up in some manner, but things have not been going right down there, says the Wheeling Telegraph, and Wednesday night the girls employed in the finishing department, the glaze ware rooms, and in the bisque ware rooms, all went out on strike at 5 o'clock. The girls claim that the management has not lived up to the agreement that was entered into and that they will not go back to work until the scale has been signed and they are accorded the same wages that are paid employees of the same kind in other potteries.

It is alleged that heretofore the girls in the different departments affected by the strike have been receiving any price for their work that they would accept. The girls in shops in other parts of the country have been receiving an average of about 85 cents a day for their work, and with the ten per cent increase which was passed at the convention they would be entitled to almost a dollar a day. This is what they want and is the reason they have gone out on a strike.

AMONG THE WORKERS.

The Burgess Supply company, stilt makers, are very busy, and have lots of orders ahead.

Edward Miller, a prominent potter from Sebring, was called to this city owing to the serious illness of his mother-in-law.

The Patterson Foundry & Machine company made large shipment of kiln fittings to the new pottery building at East Palestine today.

Henry Kaster and Thomas Beatty, dippers at the Union pottery, were out at Kensington this week on a hunting trip. The former purchased a fine hunting dog while away.

The West End Pottery company expects to have its new addition comple-

ted and in running order within the next two weeks. It will then have all the new machinery in place.

John Moneypenny, a jiggerman employed at the American China company of Toronto, is spending the week in this city during a slack up in the orders for his ware.

The Patterson Foundry & Machine company is equipping the old Globe pottery at Crooksville with clay washing machinery. The firm is enlarging the plant also by building additional wings.

"Doe" Ferguson, formerly manager of the United States pottery at Wellsville, but now of the Globe, is a hussier. "Doe" is not afraid to lend a helping hand in any line of labor, and is never satisfied unless he is busy.

During the past few weeks there have been quite a number of potters who left this city for positions in the western plants. Among the most recent to return are H. N. Smith, Albert Craft and J. Regan, all formerly of Peoria.

Among the Potteries
and Allied Industries

ALL GUIT.

The strike inaugurated at the two shops of the Wheeling Potteries company by the girls in the finishing department was thought to have been settled satisfactorily when President T. J. Duffy, of the National Brotherhood of Operative Potters, held a meeting with the local to which the girls belong. At the time the manager of the Warwick pottery signed the scale which the girls asked, and gave them the advance which was decided upon at the convention of the potters in Wheeling last May.

The trouble at the Wheeling Potteries company's plants was patched up in some manner, but things have not been going right down there, says the Wheeling Telegraph, and Wednesday night the girls employed in the finishing department, the glaze ware rooms, and in the bisque ware rooms, all went out on strike at 5 o'clock. The girls claim that the management has not lived up to the agreement that was entered into and that they will not go back to work until the scale has been signed and they are accorded the same wages that are paid employees of the same kind in other potteries.

MODELING WORK DULL.

Alexander Lindsay, a modeler of this city, left for Wheeling last night on a visit. Mr. Lindsay states that modeling work is dull among the potteries in all parts of the country. He has just completed a new set of models for the Warwick China company of Wheeling. He says that pottery is doing a fairly fine business at present and turn out a high grade of ware.

BOUGHT NEW MACHINERY.

The Mosaic Tile company, of Zanesville, has purchased an entirely new equipment of machinery from the Patterson Foundry & Machine company of this city, and will dispense with all the old machinery. The concern is an old one, and has been in operation for about 10 years. It is a most successful industry.

AMONG THE WORKERS.

The Burgess Supply company, stilt makers, are very busy, and have lots of orders ahead.

Edward Miller, a prominent potter from Sebring, was called to this city owing to the serious illness of his mother-in-law.

The Patterson Foundry & Machine company made a large shipment of kiln fittings to the new pottery building at East Palestine today.

Henry Kaster and Thomas Beatty, dippers at the Union pottery, were out at Kensington this week on a hunting trip. The former purchased fine bird dog while away.

The West End Pottery company expects to have its new addition comple-

and in running order within the next two weeks. It will then have all the new machinery in place.

John Moneypenny, a jiggerman employed at the American China company of Toronto, is spending the week in this city during a slack up in the orders for his ware.

The Patterson Foundry & Machine company is equipping the old Globe pottery at Crooksville with clay washing machinery. The firm is enlarging the plant also by building additional wings.

"Doe" Ferguson, formerly manager of the United States pottery at Wellsville, but now of the Globe, is a hustler. "Doe" is not afraid to lend a helping hand in any line of labor, and is never satisfied unless he is busy.

During the past few weeks there have been quite a number of potters who left this city for positions in the western plants. Among the most recent to return are H. N. Smith, Albert Craft and J. Regan, all formerly of Peoria.

FOUR CARS OFF
DELAYED TRAINS

A Bad Wreck Yesterday Afternoon
Occurred Near the
WN Tower.

A bad wreck occurred yesterday afternoon in the East End at 4 o'clock. A WN tower. Shifting engine No. 769, while backing onto the south siding, badly derailed four loaded cars, for some unaccountable reason, and before the crew noticed the accident the cars had been badly jammed up, one of them straddling right across the main track. As soon as the crew could get at the cars they began the work of getting them back on the tracks and finally succeeded in getting three of the number safely back on the rails by the hard work of three or four hours.

The car across the main track was in a bad position and after a number of efforts the wreck train from Wellsville was summoned and succeeded in clearing the main track. Passenger trains were delayed a couple of hours by the accident, but the south bound passenger, which arrives in the East End at 3 o'clock, succeeded finally in getting past the wreckage by coming down the new north siding which was recently laid and is now being graded.

It was a rocky road for the train, but luckily it was so near completion as to allow trains to proceed on their way until the main track was cleared of the obstructions. The other cars sustained a good deal of damage also.

BURNS' ENEMI'S

Help to Be Responsible for His Injuries at Beaver Creek Bridge.

Charles Burns, who was so seriously injured at Little Beaver creek bridge Monday morning, is improving slowly. Some weeks ago Burns was badly done up in a row with some Kentuckians. One of the number accompanied him home the morning of the accident. This party has now disappeared, also a suit of clothes that Burns had purchased, his watch and a sum of money, so he tells his mother.

The mother is of the opinion that he was foully dealt with, but has not secured enough evidence to warrant instituting proceedings in a court of justice.

ALMOST LOST AN EYE

Boy Struck in the Face By an Ax Which His Brother Was Using.

Frank Smith, 4-year-old son of Mrs. Winnie Smith, of Central avenue, had an eye almost put out this morning. His brother Glenn was chopping a log and drew back the ax to chop, striking Frank in the right eye. The wound is a bad one, but the boy will not lose the sight of it. His face is badly swollen, however.

assisted in the ceremonies. A banquet followed and speeches under the head of good of the order prevailed. Buckeye Castle is in a flourishing condition.

Hard Up for a Sensation.

A local paper in a two-column heading told of the dire condition of Mrs. William Preston and of the failure to get a nurse for her. The News Review, in a few lines, told the facts of the case, and gave the truth. A nurse has been obtained, as Alspacher stated yesterday, and the patient is reported doing well.

Tigers vs. Nonpareils.

The Eureka Tigers of East Liverpool and Nonpareils of the East End were playing a game this afternoon on the Laughlin pottery land on the east side of the C. & P. The game was called at 4 o'clock. This is the third game of the Nonpareils.

Making Needed Repairs.

The Gamble & Surles' brick yard, located on Pennsylvania avenue, is making needed repairs to kilns. The yard is now stocked with brick, and it is likely the plant will close down as soon as cold weather sets in.

EAST END AFFAIRS.

W. C. Supplee is at Lisbon today. Mrs. John Campbell, of Entreriet, is quite ill.

Charles Finney and son Charley are Lookout visitors.

Robert Sodaker will go to Wenburg, W. Va., to vote.

Mrs. Mary Gill, of First avenue, is visiting Bellaire friends.

George Culbertson is building a addition to his home near the gant.

Mrs. A. L. Weaver, mother of Mrs. W. C. Poynter, of Harvey street, is quite ill.

H. O. Smith has purchased a new home on Globe street and will remove there next week.

Robby, the son of William Gibbs, of Sandy Bottom, who is ill with pneumonia, is improving.

A hunting party of prominent East End sportsmen is in the vicinity of Cook's Ferry today.

Mrs. Elsie Davis and Mrs. W. C. Smith, of St. George street, are visiting Beaver relatives.

Joe, the young son of J. E. Walton, of Sandy Bottom, who is ill with diphtheria, is reported worse.

The pressers and clay hands at Laughlin No. 2 are off duty today or account of the pug mill break.

Ruby Fouts will give a Halloween party at the home of her brother-in-law, Mr. B. Martin, Elizabeth street.

Charles Hardman moved from Wellsville to the Klondike yesterday. Mr. Hardman is a kiln hand.

The socialistic meeting in Larkins' hall was fairly well attended. H. A. Merkel, a socialist-labor orator, addressed the assemblage.

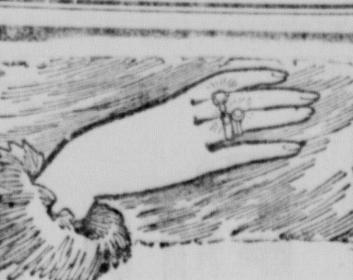

Randall Owens, the young son of Samuel Owens, of St. George street, who is ill with measles, is not improving.

John Maxton, the Elizabeth street grocer, is erecting a fine new stable on his lot. Hanna Bros. are the contractors.

Mrs. Mary Conrad and son Harry who have made their home for the past three years with Edward Davis and wife, moved to Beaver, Pa., today to make their home.

Rev. Dr. M. B. Pratt preached a most excellent sermon at the Second Presbyterian church last night from the text "As the Father Hath Loved You," etc. A large congregation greeted the doctor last night.

Dalrymple Anderson, of Globe street, is very much worse with consumption and he is not expected to live over a week. His daughter Helen who is afflicted with measles, is improving. Emma Perry, of the same street, is quite ill also with measles.

BANK IS CLOSED

Steubenville Italians Who Trusted a Stranger Are Clamoring for Their Money.

Steubenville, October 31.—The Italian Banca Commerciale is closed today, and a half hundred foreigners are clamoring for their money. Barker C. Poll is gone and so are Joe Romani and an Italian girl, who was an inmate of a house on Water street. The latter two were the "company" in the firm, as it was known as C. Poll & Co., bankers and brokers. All that the Italians can now do is to clamor and this they are doing nobly as some of them have been squeezed for about \$200. For a poor Italian to lose that sum is enough to set him crazy.

C. Poll, the man who started the bank, is one of the shiest individuals out. He came to Steubenville about two months ago and rented the room adjoining Wimfield Scott's store and opened a bank. It was a real bank as Poll secured up-to-date furniture, a big safe and enough printed matter for a dozen banks. He was a tall, commanding fellow, six feet tall and rather well dressed. He could not talk English very well, nor could he read or write the English language.

He said that he had been in America seven years and at one time had been editor of the Brooklyn "Italians."

When Poll came to Steubenville he stopped at the McConvile hotel and put up a great front. He was a very polished fellow and it was easy for him to make friends.

Dr. R. J. Marshall is having a new street graded across his land in the Klondike. The street will be known as Marshall street, and lies next below Elizabeth street.

Mrs. Mary Conrad and son Harry who have made their home for the past three years with Edward Davis and wife, moved to Beaver, Pa., today to make their home.

Go Prepared.

In preparing for your summer outing, it is important to have a good outfit.

Mr. John H. Manly, a dry goods merchant of Belleville, R. I., while packing an outfit for camping a few weeks on Narragansett Bay, put in a bottle of Chamberlain's "Vole, Cholera and Diarrhoea Remedy" for emergency use.

The second day in camp this little boy was taken with cramp colic. The first dose of this remedy gave relief and the second dose effected a cure. Think the pain and suffering this boy would have had to endure without this remedy at hand to relieve him. Such cases often result.

Street Superintendent Dickey reported that residents on Virginia avenue, East End, are attaching their sanitary sewers to the new storm water sewer.

He was instructed to warn them to cut the sewers off from the main pipe and if they do not proceed, a suit will be instituted against them.

Mr. Lawson, of the safety board, reported that it had been decided by the board to use the hose that has been used by the street superintendent for fire purposes only, and as the hose is the property of the safety board, the service board concluded to purchase another hose.

Mr. Dickie advised that the board make it two and he was authorized to buy them at a cost not to exceed \$200 each.

The people living on and in the vicinity of Elizabeth avenue, East End, want the street railway company to remove its track from Elizabeth street so that a passable way can be made for the school children. It was decided to investigate the matter and have whatever is necessary done at once.

Old subscribers wishing to secure the picture can do so by calling at the office and paying three months' subscription in advance.

The subject of the painting is one that appeals to all. The tall, graceful figure of a beautiful young girl, standing with her hands clasped back of her head in an attitude suggestive of "contentment," her long, silky hair falling over the dark olive kimono with its bright scarlet folds, combine to make a color study that is both attractive and pleasing.

The picture can be seen in the windows of the News Review office or at any news stand.

DROPSY TREATED FREE
A CALL FOR LIGHT
FROM GARDENDALE

Worth of New Treatment Will Be Sent Free by the Well Known Specialist, Franklin Miles, M. D., L. L. B.

At first no disease is apparently more harmless than dropsy, a little swelling of the eyelids or hands or a slight swelling of the feet, ankles or abdomen. Yet no death is more fearful. The unfortunate patient slowly drowns in the water of his own blood.

Dr. Miles has made a specialty of diseases of the heart, liver, kidneys, nerves and dropsy for 25 years. To introduce his Grand Dropsy Treatment he will give away \$1,000 worth. Hundreds of testimonials of the most remarkable cures will be sent on request.

One gentleman was cured after having been given up by ten Grand Rapids physicians; a lady after six Chicago doctors pronounced her case hopeless.

Mr. R. Trimmer, of Green Spring, Pa., writes: "Your Special Treatment cured Mrs. T. of heart disease and dropsy after many physicians had pronounced her case hopeless."

Mr. H. A. Groce, of 301 Mountain St., Elgin, Ill., aged 72, was thought to be incurable. The dropsy reached to his lungs and caused smothering spells, cough, shortness of breath and other sorts. "Dropsy all gone," better every day."

Mrs. M. B. Moran, of Rogers, Ohio, says:

"Dr. Miles saved my life by curing me of dropsy and heart trouble. Many physicians had pronounced me hopeless."

"Three days after commencing Treatment for dropsy it was nearly all gone after three weeks. Dr. Hartman, of Coblenz, of Blessing In., writes: "For Miles' Treatment has performed a miracle for me. After her leg burst from dropsy."

"We are not being treated right," said Mr. Menkin. "If we happen to be out of the house after 7 o'clock in the evening we cannot get home without lighting matches to find our way. We want at least four lights in Gardendale and will insist that we get them. We are paying about \$400 taxes every year and we do not get a thing in return. The people living down here in the central portion of the city are not taxed any more than we are according to the valuation of the properties, and they all have plenty of lights and everything else."

Mr. Smith told the committee that it would be impossible to furnish the number of lights asked for, owing to scarcity of money, but that would not satisfy them. Finally it was decided to take a light, said to be not needed, in the "Jaffray Hollow, rear the Hanover addition, and place it in Gardendale. This did not satisfy the committee and it was told to go to council and get that body to appropriate the money and the other three would be stationed for them.

Water Works Superintendent Mooley raised an objection to the manner in which the streets are being raised along the river front from Thompson's pottery to the power house. He said that the potters and the street railway company are constantly filling in the road and the railway company is raising its tracks until now but few of the fire plugs can be found. It was stated that all of the responsible people had been warned not to continue the practice, and when Engineer Kelly gave the assurance that the parties have no legal right to change the grade even though one was never established, a motion was made and carried instructing the clerk to inform the pottery owners that if the work is continued and the plugs are in any manner impaired they will be forced to pay for the repair.

Street Superintendent Dickey reported that residents on Virginia avenue, East End, are attaching their sanitary sewers to the new storm water sewer.

He was instructed to warn them to cut the sewers off from the main pipe and if they do not proceed, a suit will be instituted against them.

A CALL FOR LIGHT
FROM GARDENDALE

Citizens of That District Think They Are Not Getting All They Should.

A PROTEST IS ENTERED

To the Public Service Board, But the Complainants Are Referred to Council—Other Grievances Aired at the Meeting.

Aroused to anger because they feel that they and their neighbors are not being treated like the residents living in the central portion of the city, Robert J. Meakin and another gentleman of Gardendale made things quite interesting at the regular meeting of the board of public service held last evening. This pair from the so-called suburban district of the city declared that they need electric lights in that section and should have them, if for no other reason than that their community pays a yearly tax of \$400 and receives nothing in return.

"We are not being treated right," said Mr. Meakin. "If we happen to be out of the house after 7 o'clock in the evening we cannot get home without lighting matches to find our way. We want at least four lights in Gardendale and will insist that we get them. We are paying about \$400 taxes every year and we do not get a thing in return. The people living down here in the central portion of the city are not taxed any more than we are according to the valuation of the properties, and they all have plenty of lights and everything else."

Mr. Smith told the committee that it would be impossible to furnish the number of lights asked for, owing to scarcity of money, but that would not satisfy them. Finally it was decided to call a meeting, said to be not needed, to call a meeting, rear the Hall of the Sangerlust, and place it in Gardendale and will insist that we get them. We are paying about \$400 taxes every year and we do not get a thing in return.

The people living down here in the central portion of the city are not taxed any more than we are according to the valuation of the properties, and they all have plenty of lights and everything else."

(To The Pe-ru-na Medicine Co., of Columbus, O.)

"Pe-ru-na is All You Claim For It."

CONGRESSMAN
D. F. WILBER,
FROM NEW YORK.

Congressman D. F. Wilber, of Oneonta, N. Y., writes:

The Peruna Medicine Co., Columbus, Ohio: Gentlemen—Persuaded by a friend I have tried your remedy and I have almost fully recovered after the use of a few bottles. I am fully convinced that Peruna is all you claim for it, and I cheerfully recommend your medicine to all who are afflicted with catarrhal trouble."—David F. Wilber.

Peruna Preventive and Cure for Colds. In 1899 The Sangerlust celebrated its fifteenth anniversary with a large celebration in New York City. The following is his testimony:

"About two years ago I caught a severe cold while traveling and which settled into catarrh of the bronchial tubes, and so affected my voice that I was obliged to cancel my engagements. In distress I was advised to try Peruna, and although I had never used a patent medicine before, I sent for a bottle.

"Words fail to describe my surprise to find that within a few days I was greatly relieved, and within three weeks I was entirely recovered. I am never without it now, and take an occasional dose when I feel run down."—Julian Weissitz.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

EAST END

FOUR CARS OFF
DELAYED TRAINS

A Bad Wreck Yesterday Afternoon
Occurred Near the
WN Tower.

A bad wreck occurred yesterday afternoon in the East End at 4 o'clock a.m. Shifting engine No. 769, while backing onto the south siding, had derailed four loaded cars, so some unaccountable reason, and before the crew noticed the accident the cars had been badly jammed up, one of them straddling right across the main track. As soon as the crew could get at the cars they began the work of getting them back on the tracks and finally succeeded in getting three of the number safely back on the rails by the hard work of three or four hours.

The car across the main track was in a bad position and after a number of efforts the wreck train from Wellsville was summoned and succeeded in clearing the main track. Passenger trains were delayed a couple of hours by the accident, but the south bound passenger, which arrives in the East End at 3 o'clock, succeeded finally in getting past the wreckage by coming down the new north siding which was recently laid and is now being graded.

It was a rocky road for the train, but luckily it was so near completion as to allow trains to proceed on their way until the main track was cleared of the obstructions. The other cars sustained a good deal of damage also.

BURNS' ENEMI S

Held to Be Responsible for His Injuries at Beaver Creek
Bridge.

Charles Burns, who was so seriously injured at Little Beaver creek bridge Monday morning, is improving slowly. Some weeks ago Burns was badly done up in a row with some Kentuckians. One of the number accompanied him home the morning of the accident. This party has now disappeared, also a suit of clothes that Burns had purchased, his watch and a sum of money, so he tells his mother.

The mother is of the opinion that he was finally dealt with, but has not secured enough evidence to warrant instituting proceedings in a court of justice.

Boy Struck in the Face By an Ax
Which His Brother
Was Using.

Frank Smith, 4-year-old son of Mrs. Winnie Smith, of Central avenue, had an eye almost put out this morning. His brother Glenn was chopping a log and drew back the ax to chop, striking Frank in the right eye. The wound is a bad one, but the boy will not lose the sight of it. His face is badly swollen, however.

DROPSY TREATED FREE

\$3.75 Worth of New Treatment Will
Be Sent Free By the Well Known
Specialist, Franklin Miles, M. D.,
L. L. B.

At first no disease is apparently
more harmless than dropsy, a little
swelling of the eyelids or hands or a
slight swelling of the feet, ankles or
abdomen. Yet no death is more fear-
ful. The unfortunate patient slowly
drowns in the water of his own blood.

Dr. Miles has made a specialty of
diseases of the heart, liver, kidneys,
nerves and dropsy for 25 years. To
introduce his Grand Dropsy Treatment
he will give away \$1,000 worth. Hun-
dreds of testimonial of the most re-
markable cures will be sent on re-
quest. One gentleman was cured after
having been given up by ten Grand
Rapids physicians; a lady after six
Chicago doctors pronounced her
case hopeless.

Mr. R. Trimmer, of Green Spring, Pa.,
writes: "Your Special Treatment cured
Mrs. T. of heart disease and dropsy after
many physicians had pronounced her
hopeless."

Mr. H. A. Groce, of 501 Mountain St., El-
khart, Ill., aged 72, was thought to be inur-
nate. The dropsy reached to his lungs and
was accompanied by spells of cough, shortness
of breath. He writes: "Dropsy all gone;
better every day."

Mrs. M. B. Moran, of Rogers, Ohio, says:
"Dr. Miles saved my life by curing me of
that dropsy and heart trouble which had
been so terrible." Miss Sophia Snou-
berg, of No. 92, 21st Ave., Minneapolis, testi-
fies: "Three days after commencing
treatment for dropsy it was nearly all
gone after two applications of the
oeophyl balsam fomented." Mr. A. P.

THE CLOSING CAMPAIGN.

Almost on the eve of election the Republicans of Ohio have good reason for anticipating a glorious victory next Tuesday.

Their campaign throughout the state has been far more zealous and earnest than most people in Columbian county are probably aware of.

This county being safely in the Republican column has received less attention and fewer visits from campaign orators than other districts whose political status is a more uncertain quantity.

Scores of orators among them some of the most eloquent and able exponents of Republicanism in the state and nation, have been addressing the voters for the past month, and their speeches have also been spread broadcast through the columns of the press.

A vast amount of campaign literature has also been disseminated, which is quite as likely as the most fervent oratory to make a deep impression upon the thoughtful.

The campaign has been well managed.

The state and local committees have performed their parts well, and it remains only for voters to perform their duty in the same manner.

There is no excuse for any man who can read or reflect not being fully informed on the important issues to be decided at the polls on Tuesday.

The Republican party in Ohio was never more united.

or harmonious; never was there greater unanimity of assent to the principles espoused by the party platform and party orators. The effect of the result this year in Ohio on national results and party prospects in 1904 is well understood, and no loyal party man can have a valid reason for shirking his responsibility as a citizen.

The Democratic party is sadly divided on isms, issues and men. A free silverite and single taxer heads it and professes to espouse the cause of a senatorial candidate who was a "gold bug" in 1896 and probably has not changed even though he is on a Bryan platform. But it is not principles that the Democracy cares for, but votes, and it is doubtful if the inconsistencies of its position will keep the rank and file from voting solidly for their ticket if they vote at all. Republicans can see how richly the opposition merits defeat and should turn out en masse and resolve to make that defeat thorough.

Tom Johnson's platform is against the greedy railroads, but Tom Johnson's candidate for senator was long the railroads' paid attorney and maintained that the blacklisting of railroad employees was both commendable and necessary.

Tom Johnson while in congress voted against the railroad safety couplet bill. It passed in spite of him, and has resulted in the saving of hundreds of lives. Nice fellow he is, to pose as the friend of the laboring man!

The tale of the nurseless patient was harrowing, but unfortunately it was not true.

Vote the whole Republican ticket. It is worthy of your support from top to bottom.

OBITUARY

Mrs. Margaret Stokesberry, Lisbon, October 31.—(Special)—Mrs. Margaret Stokesberry, a life-long resident of Lisbon, and widow of Henry Stokesberry, who died about 30 years ago, died at her home at Lisbon yesterday, at the age of 84 years. Death was due to the general breaking down incident to age, but since Mrs. Stokesberry sustained a fall four weeks ago her decline was rapid and she was confined to her home from that date.

The deceased was born near Lisbon October 3, 1819. She was the daughter of Mr. and Mrs. James Orr, who came here from Crawford county, Indiana, in 1815. A daughter, Miss Alice, who has been living at home caring for her mother, survives her. Corwin Stokesberry, of near Columbian, and Warren Stokesberry, of Rogers, are stepsons of the deceased.

Funeral services will be held at the house tomorrow afternoon at 2 o'clock. Rev. J. S. Spence officiating. Interment will be made in the Lisbon cemetery.

MARYLAND BANKERS ASSN.—Mount Airy, Md., Oct. 31.—Albert Jones & Co., bankers, made an assignment to Joseph D. Baker, president of the Citizens bank of Frederick City. Mr. Jones estimates the liabilities at \$135,000. The assets, which include real estate and stocks of certain trust and railroad companies, is not known. Depreciation of values of the securities held by the firm is given as the cause of the assignment.

AGED COUPLE ASPHYXIATED.—Chicago, Oct. 31.—Horace L. Green and his wife were found dead in bed, the result of asphyxiation. Green was the publisher of the Free Thought magazine. LOST HIS HORSE

Left It Standing Out All Night And the Police Took Care of It.

William Gillespie, from Salineville, came into the mayor's office this morning and asked the mayor if anything had been seen here of his horse which he claimed to have lost yesterday. He said he was driving from Black Hawk to a farm near East Liverpool, and having arrived at his destination turned the rig over to a man named Peeks, who was to meet Gillespie at this city late in the evening.

The two men met and the horse was tied near the Burgess still works while they went to a saloon. The horse and buggy were allowed to stand where they were tied all night long. Officer Elliott at once took charge of the rig and left it at a local stable.

Gillespie was told where he could find the horse and told either to pay Judge Smith for the damage the horse had done to a building to which it was tied and pay the livery expense or else suffer a heavy fine. The man decided to pay up.

ANTI-CIGARETTE CRUSADE

Prof. McDonald Proposes to Have the Law Observed in Wellsville.

Superintendent J. L. McDonald, of the public schools of the city, has issued a notice to all grocers and all merchants who handle tobacco, cigarettes or cigars to refrain from selling any of these articles to school boys under the 16-year age limit, provided by law. Prof. McDonald has complained much recently of the cigarette habit among the boys of the public schools. A good many boys under 16 years of age have learned the obnoxious habit.

Prof. McDonald proposes to put a stop to this if within his power. He states that grocers and other dealers have not been observing the 16-year law.

CATARRH CURED WITHOUT DRUGS

Hyomei Medicates the Air You Breathe, Kills the Germs and Cures the Disease.

Hyomei cures catarrh thoroughly and permanently, because it reaches the smallest air cells in the head, throat and lungs, kills the germs causing the disease and drives it from the system. Hyomei goes to the root of the disease, destroys the cause, and makes permanent cures which can be effected in no other way. Breathe it for a few minutes four times a day and benefit will be seen at once. Continue this treatment for a few weeks and Hyomei will have cured you.

The Hyomei breathed through the heat pocket inhaler furnished with each outfit mingles with the air you breathe. It is a local and direct treatment for eradicating all catarrh germs in the mucous membrane and tissues and in this way cures catarrh in any part of the system. Used in connection with Hyomei Balm it has been successful in curing the worst and most deep-seated cases of catarrhal deafness.

The complete Hyomei outfit costs \$1 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomei can be obtained for 50¢.

Stronger than any claims that can be made in an advertisement, is the fact that Will Reed will give his personal guarantee with every Hyomei outfit he sells to refund the money if the purchaser can say that Hyomei has not given satisfaction.

Pleasantly Entertained.

At the home of Mrs. H. C. Wells on Front street last evening, the members of the Woman's Home Missionary society of the First M. E. church of East Liverpool were very pleasantly entertained by the members of the society from the same church in this city. A large crowd was present. An elaborate program, musical and literary, was rendered and a number of papers read.

Republican Committee Meeting.

Chairman E. S. Martin and Secretary A. C. Fogo, of the Republican city central committee, have issued a call to the members of the committee to meet at the city hall at 7 o'clock Monday evening, at which time the final arrangements for the polling places here will be made. Little change will be made in the list of clerks and judges.

A Badly Injured Arm.

Edward Groves, a blacksmith in the C. & P. shops, while at work on his anvil this morning was struck by a splint of hot iron on the left arm, cutting a deep gash. He was removed to his home, Nineteenth and Wood streets, and Dr. Noble called. He dressed the injury and reported that the arm would not have to be amputated.

Meetings Every Evening.

JOHNSON NO FRIEND OF UNION LABOR

M. M. Garland Attacks the Democratic Candidate's Record and Riddles It.

M. M. Garland, former president of the Amalgamated association, attacked Tom Johnson's record in a political speech at Youngstown and said Johnson was in no way the friend of the labor unions of the country. In both the Johnstown and the Lorain plants, Mr. Garland said, it was found impossible to organize the men.

"Mr. Johnson declared, a few weeks ago here, that he was in favor of union labor and encouraged unions in his works," said Mr. Garland. "This was said in answer to the question put him by President James McMahon, of the Blast Furnace Workers' union. Where we find a man who is a friend of the unions we generally find that unions are organized in his plants. It was not so at Johnstown and Lorain. We sent organizers there and I went there myself, but the association could not be got into the plants. Men were discharged for suggesting it. I have in my possession the names of many who were thrown out of work on that account. One man in Johnstown was discharged because he spoke to me when I went there to organize the men, and he got back only when he declared that he had not met me. I have the names of these men, who will bear me out in what I say. Mr. Johnson said in letters to discharged men that he was not in charge and could not interfere in the management. That is the old story. In Lorain he himself discharged bricklayers because they would not violate the rules of the union and work 10 instead of nine hours per day."

Regarding the price of pudding he said it is based on the selling price of iron and not gained through strikes and lockouts.

OFFICER FOUND GOODS READY FOR SHIPMENT

Owner Owed a \$42 Grocery Bill and Had Left Chester for An Ohio Town.

Sergeant Hiram Allison, acting as an officer from the court of Justice Pugh, has found what seems to be conclusive evidence of an attempt to defraud W. L. Simpson, a Chester grocer. A few days ago Simpson sued out an attachment in Justice Pugh's court against the goods and chattels of one L. E. Weissinger, said to have been employed at one of the Chester pottery plants and lived in the upper end of the city. The amount alleged to be due was something over \$42 for groceries and supplies. Justice Pugh granted the attachment and placed the papers in the hands of Sergeant Allison for execution.

After a thorough search Sergeant Allison failed to find Weissinger or any member of his family, but he did find a considerable quantity of household goods. The boxes which contained the stuff were packed and addressed to Weissinger at some town in Ohio and from this it is reasoned that Weissinger had attempted to escape payment of the debt.

Sergeant Allison at once took charge of the property and has had it stored away for safe keeping until the prescribed process of law can be carried out. Owing to the failure to secure service on Weissinger the goods will have to be kept for a period of 90 days and advertised for 10 days before they can be sold.

IMPRESSIVE SERVICES AT CORNER STONE LAYING

Ceremonies to Take Place at New Presbyterian Church Edifice Tomorrow Afternoon.

The laying of the corner stone of the new Presbyterian church edifice, Fifth street and Indiana avenue, will be attended with beautiful and impressive ceremonies, and the event is one of great interest to the members of the congregation and to the people of Chester generally. The services are to commence at 3 o'clock in the afternoon, when Rev. W. E. Hill, of the East End, East Liverpool, will deliver an appropriate address. Rev. Mr. Hill is an able and forcible minister and his remarks will be worth hearing.

Invitations have been extended to a number of ministers and several have signified their intention of being present, among them Rev. Mr. Hosack, of Hookstown; Rev. Mr. Green, of Fairview, and Rev. N. M. Crowe, of the East End. Several prominent citizens of the county will be present.

A program of music has been arranged by the choir and this part of the service will add to the impressiveness. Provided the weather is favorable several hundred people will gather around to see the stone placed in position.

A Handsome Home.

The people of Chester are watching with a great deal of interest the magnificent home being built for James Murray, the well known oil operator. Mr. Murray, since he determined to locate in Chester, has contracted for some magnificent buildings at his Fifth street property and all the surroundings will be in keeping. The barn is one of the finest in the country and the lawns and grounds will be magnificent.

Mr. Murray has drilled a well to obtain a private gas supply and another well is being drilled to supply a private system of water works.

OFFICER FOUND GOODS READY FOR SHIPMENT

Owner Owed a \$42 Grocery Bill and Had Left Chester for An Ohio Town.

Sergeant Hiram Allison, acting as an officer from the court of Justice Pugh, has found what seems to be conclusive evidence of an attempt to defraud W. L. Simpson, a Chester groceryman. A few days ago Simpson sued out an attachment in Justice Pugh's court against the goods and chattels of one L. E. Weissinger, said to have been employed at one of the Chester pottery plants and lived in the upper end of the city. The amount alleged to be due was something over \$42 for groceries and supplies. Justice Pugh granted the attachment and placed the papers in the hands of Sergeant Allison for execution.

After a thorough search Sergeant Allison failed to find Weissinger or any member of his family, but he did find a considerable quantity of household goods. The boxes which contained the stuff were packed and addressed to Weissinger at some town in Ohio and from this it is reasoned that Weissinger had attempted to escape payment of the debt.

Sergeant Allison at once took charge of the property and has had it stored away for safe keeping until the prescribed process of law can be carried out. Owing to the failure to secure service on Weissinger the goods will have to be kept for a period of 30 days and advertised for 10 days before they can be sold.

IMPRESSIVE SERVICES AT CORNER STONE LAYING

Ceremonies to Take Place at New Presbyterian Church Edifice Tomorrow Afternoon.

The laying of the corner stone of the new Presbyterian church edifice, Fifth street and Indiana avenue, will be attended with beautiful and impressive ceremonies, and the event is one of great interest to the members of the congregation and to the people of Chester generally. The services are to commence at 3 o'clock in the afternoon, when Rev. W. E. Hill of the East End, East Liverpool, will deliver an appropriate address. Rev. Mr. Hill is an able and forcible minister and his remarks will be worth hearing.

Invitations have been extended to a number of ministers and several have signified their intention of being present, among them Rev. Mr. Hosack, of Hocktown; Rev. Mr. Green, of Fairview, and Rev. N. M. Crowe, of the East End. Several prominent citizens of the county will be present.

A program of music has been arranged by the choir and this part of the service will add to the impressiveness. Provided the weather is favorable several hundred people will gather around to see the stone placed in position.

A Handsome Home.

The people of Chester are watching with a great deal of interest the magnificent home being built for James Murray, the well known oil operator. Mr. Murray, since he determined to locate in Chester, has contracted for some magnificent buildings at his Fifth street property and all the surroundings will be in keeping. The barn is one of the finest in the country and the lawns and grounds will be magnificent.

Mr. Murray has drilled a well to obtain a private water supply and another well is being drilled to supply a private system of water works.

"For the Sake of My Little Children."
Prof. Hoff's Cure for Consumption
Saved the Life of the Mother.

American Bureau, Baudouin & Schlesinger, Third Avenue and 10th Street, N. Y.
Gentlemen—I have been taking your medicine now since last October, and I would like to tell you what it has done for me. Last Spring I caught a heavy cold, and, not paying much attention to it, of course it became worse. I had a terrible hacking cough all Summer. Then I was taken with chills and fevers, with pain in my head, and I could not sleep at night. I got so weak that I could not walk across the room. I could not even dress my little children. My cough became worse.

I was being treated by my family doctor, and I asked him if my lungs were affected. He told me no. A week later I was taken with a terrible hemorrhage of the lungs. Then I gave up entirely. I had no appetite, I lost blood, and I had terrible pains across my chest and between my shoulders. I could not eat anything. That same day I saw your advertisement in the paper, and my husband asked me if I would try the Hoff Cure. I told him that I would try anything for the sake of my little children. So I began taking the remedy.

It was a great improvement. My cough left me. The pains in my chest and lungs disappeared. I do not feel any soreness in my lungs at all now, and I can eat anything that is good for me. I do all my own housework, and I am very happy to say that I feel to day as if I had never been sick at all. This is a great surprise to all my friends. They all thought there was no hope for me.

I can start out and walk two or three miles now and not get tired, and I could not do that last Fall.

I have told a number of people about the Hoff Cure, and have given away all the books and papers you sent me. Enclosed you will find one dollar for another bottle of Prof. Hoff's Cure for Consumption. Please send it to me as soon as you can, for I do not want to miss taking it.

I have also told them all to buy and to pass the Professor Hoff Cure to them highly, also telling them that they read perfectly true.

It is putting me under a great expense to do this. If you will be kind enough to clear me of all expense I will try and spare time to send them each a few lines to tell them all what the medicine has done for me.

MRS. MAGGIE WILSON, George's Road, New Brunswick, N. J.

The foregoing letter from Mrs. Wilson was published in a New York newspaper, and a few weeks later another letter came from her, as follows:

American Bureau, Baudouin & Schlesinger, Third Avenue and 10th Street, N. Y.
Dear Sirs—I am receiving many letters from different parts of the country. People do not seem to think my experience is unique. I have just received a letter directly from me.

I have told them all to buy and to pass the Professor Hoff Cure to them highly, also telling them that they read perfectly true.

It is putting me under a great expense to do this. If you will be kind enough to clear me of all expense I will try and spare time to send them each a few lines to tell them all what the medicine has done for me.

MRS. MAGGIE WILSON, George's Road, New Brunswick, N. J.

The American Bureau will gladly defray all the expenses of making these answers, but if the inquirers will write immediately to the American Bureau they will receive the treatise written by Prof. Hoff, which will answer every question scientifically and completely.

Professor Hoff desires his cure to be in the hands of every sufferer. It is humanity's medicine. The prescription is compounded in accordance with Prof. Hoff's directions by the American Bureau at Third Avenue and 10th Street, New York. For the convenience of people remote from New York, the well and favorably known firm of Will Reed has

been selected to supply the remedy at \$1.00 per bottle, which is exactly the price charged by the American Bureau.

The triangular trade mark of the American Bureau of Professor Hoff's Cure must be on the label, and this is the guarantee to the purchaser that it is the exact prescription used by Prof. Hoff at Vienna.

A 64-page book, containing complete descriptive treatise on the Professor Hoff Cure, and accurate reports of several hundred cases, is mailed free on application or may be obtained by calling at the well-known druggist's just named.

IMPORTANT.—Other Hoff cures not bearing this triangular trade mark are not the authentic preparation authorized by the American Bureau.

You can obtain the genuine Hoff Cure at most drug stores. The great body of honest druggists do not stoop to substitution by selling something "just as good" that means most profit to them. The genuine Hoff Cure can always be procured at the well-known druggists.

LIFE PLANT

THE greatest of all known remedies for the positive cure of all diseases of the STOMACH, LIVER, KIDNEYS and BLOOD. It is nature's own remedy and acts in accordance with her laws. Do you suffer with INDIGESTION—are you distressed after eating—does a torpid liver make you feel miserable—out of sorts—at variance with the world? Do the kidneys fail to perform their duty, giving backache and general malaise? Are you all worn out?

LIFE PLANT will relieve quickly and cure permanently—no disappointment—no failure—it has cured thousands of others—it will cure you.

Rev. J. H. Merchant, Pastor M. E. church at Prospect, O., writes under date July 10, 1900: "Take pleasure, and do not hesitate to recommend Life Plant as an excellent remedy for Liver and Kidney difficulties. Mrs. Merchant desires to bear testimony to the healing virtues of Life Plant, as a sure and certain remedy for Rheumatism."

CURES KIDNEY AND BLADDER TROUBLES,
Rheumatism, All Diseases of the Blood, Backache, Nervous Dyspepsia, Clear the Complexion and Aid Digestion.

Give you a good appetite, renew life cells in young and old. Permanently restore youthful vigor and vitality. They tone up the whole system and make you feel like a new person. No remedy in the world to equal them. Take a few Nervan Tablets and note the wonderful effect.

ALCO-OLIN ALL LIQUID KIDNEY AND RHEUMATIC REMEDIES CONDEMN THEM.

An ignorantly compounded remedy, containing alcohol, as nearly all kidney remedies do, will stimulate them so violently that an inflammation will be set up, instead of being merely lazy the kidneys will become diseased. Alcohol gets into the body with the blood and crowds the activity.

There is no Alcohol in Nervan Tablets to interfere with the removal of all harmful sediment from the body. They cure the kidney diseases that make you dizzy, restless, sleepless and irritable; that make you pass water often, drinking day and night; that cause constipation, catarrh of the bladder, pain in the back, joints and muscles, that make your head ache and indigestion, stomach and liver trouble, and a sallow, yellow complexion.

No matter how many other remedies you may have tried and found useless, remember the great modern remedy, Nervan Tablets.

BACK GIVES OUT

Plenty of East Liverpool Readers Have This Experience.

You tax the kidneys, overwork them. They can't keep up the continued strain.

The back gives out—it aches and pains.

Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

East Liverpool people tell you how they act.

Mr. William Anderson, of 305 Lisbon street, says: "During the civil war I enlisted and served three years in the Forty-second Infantry. From the exposure during the war I attribute the severe aching and weakness in the loins and muscular rheumatism of recent years which all seemed to center in my kidneys. In the morning when first getting up I was very dizzy until I had moved around for a time and my nervous system became affected, causing fluttering and fullness around the heart. Seeing an advertisement in the paper I got Doan's Kidney Pills at the W. & W. Pharmacy and took them. A few doses gave me relief. The improvement was gradual and continued as the medicine got thoroughly into my system. I firmly believe that Doan's Kidney Pills will in every case as they did in mine, prove the justness of the claims made for them."

HOME AFFAIRS

Brief Notes of a Personal Nature And of Matters About Town.

Broke a Car Window—The Bridgeport football team came up on the early C. & P. train this morning on its way to play at Franklin, Pa. They were a rowdy crowd, and broke a car window during one of their scrimmages.

Special Catholic Services—Sunday will be observed by the Catholic churches of the country as Feast of All Saints, and Monday as Feast of All Souls. Special services will be held at St. Alphonsus' church, this city, and Holy Name church, Chester.

Candidates for the Home—Squire Daniel McLane, adjutant of General Lyon post, G. A. R., has received the application of several national soldiers for admission to the national military home at Dayton. In every case the application has been accepted and promptly forwarded to the proper authorities.

Salvation Army Campaign—Major and Mrs. Bonnett, Ensign Gibson and Captain Fred Ford, from the Salvation Army headquarters at Cleveland, will be here tonight, to open a nine-days' campaign. All are army workers of note and able speakers. Captain Ford was once a notorious saloon keeper in Chicago, but is now devoting all his time to Salvation Army work, in which he is very successful.

SPECIAL SERVICES

At the First Christian Church Arousing Much Interest—Fine Music a Feature.

The special services that have been in progress at the Christian church in this city have attracted interesting congregations. A splendid feature of these meetings has been the singing in charge of Musical Director F. H. Cappa. Thursday evening Mr. Cappa and Kirk Bergner sang a beautiful duet taken from the words of President McKinley when he engaged a special train to go the bedside of his dying mother, "Tell Mother I'll Be There." The rendition brought tears to the eyes of many of the listeners.

At the Sunday evening service Messrs. Cappa and Bergner will sing a duet, "Jesus, Lover of My Soul," set to music by Mr. Cappa.

Wants the Title Quieted.

Lisbon, October 31.—(Special)—Frederick T. Adams is plaintiff in a suit filed here today against Matthew J. and Jane Child, James B. and Annie C. Callahan and Belle Child to have his title quieted to real estate in Lisbon quieted. M. J. Child, who was cashier of the old First National bank of Lisbon, and the remaining defendants claim an interest in the premises, adverse to the plaintiff. Judge J. G. Moore is the plaintiff's attorney.

Want to Meet the Board.

In order to better understand the details of the new registering system, adopted by the board of public safety for the police department, the policemen have asked for a session with the board. The new system becomes operative Sunday night, and although the officers have a general understanding of it their exact duties have not been explained. Chief Wyman was asked last night to arrange for the meeting.

Going to Florida.

Lisbon, October 31.—(Special)—Mrs. R. W. Taylor and her mother, Mrs. M. A. Sprague, left for New York city this morning, whence Mrs. Sprague will sail for Florida, where she will spend the winter. SOCIAL EVENTS

Pleasant Social.

Prof. R. E. Rayman's Sunday school class of the First Presbyterian church last evening gave a Hallowe'en social to E. D. Moore's Sunday school class of the same church. The members of both classes were present, including a company of nearly 200. Mr. Komey, president of Prof. Rayman's class, made a pleasing address of welcome. A fitting response was made by Mr. McLane, president of Mr. Moore's class. A brief program followed in which Mr. Herman Feustel, Jr., in a talented manner, recited "When the Frost is on the Pumpkin." Mr. Moore was then called upon for an address and responded in a pleasing and cheerful manner. Miss Ida Huston and Mr. Charles Ulser entertained their auditors with several piano solos. A cornet solo by Mr. John Stoddard, accompanied by Miss Besse Adams on the piano, concluded the program. The remainder of the evening was spent in refreshments and Hallowe'en games which were the source of much merriment.
